

NESRALLAH SHIKUR

CIT Graduate · Marketing Minor — Software, Data & Direct-Response Marketing

Mankato, MN | 507-382-4200 | nesbashik@gmail.com | LinkedIn: Nesrallah-Shikur | GitHub: Nesrallah-Shikur

SKILLS

Marketing: Meta Ads (Pixel, Conversions API), Shopify, RMBC direct-response copywriting, customer research & avatar development, funnel analytics (CPM/CTR/CVR/AOV), CRO

Technical: Python, Java, C, C++, SQL, JavaScript, HTML · Git, MySQL, VS Code, PyCharm, RStudio, Lucidchart, VMware

EXPERIENCE

Founder & Operator — Alemberee™, D2C Ecommerce Brand

2025 – Present

Interactive project map: nesrallah.github.io/alemberee-map

- Launched a live Shopify store end-to-end — sourcing, supplier management, page design, and tiered bundle pricing.
- Built full-funnel Meta ads tracking (Pixel + Conversions API) across Purchase, Add-to-Cart, and Checkout events for cold-traffic attribution.
- Drove copy and creative decisions with RMBC-based market research: review mining, competitor analysis, customer avatars.
- Instrumented a funnel measurement framework mapping CPM/CTR/ATC/checkout metrics to specific diagnostics and actions.

PROJECTS

Medicine Finder App

Python / Tkinter

- Queried pharmacy APIs for availability, hours, and cost, with Google Maps integration and a clean Tkinter UI.

Hospital Management System

SQL

- Designed a relational schema for patients, appointments, and prescriptions with enforced key constraints and reporting.

E-Commerce Website — Alemberee

Shopify (HTML / CSS, PageFly, Atlas) · alemberee.com

- Designed the live product page end-to-end: catalog and cart flow, customer journey mapping, and color psychology applied to conversion-focused UX.

CERTIFICATIONS & ACCOMPLISHMENTS

- AWS Cloud Practitioner Training · CCNA Training (in progress) · HTML Certification (2019)
- CodePath Web Development (2025) · CodePath Cyber Security
- Honor Student, Dean's List · National Society of Leadership and Success (NSLS)
